Entre Nos

An award-winning independent film based on the true story of an immigrant woman's struggle to survive with her children in New York City. (2009, 81 min.)

Following the film, Skidmore visiting assistant professor Diana Barnes will lead a discussion about immigration.

She has worked for 20+ years around the Mexican border and also brings knowledge of immigrant workers in our region, private prisons, deportations and immigration policy.

Co-sponsored by Easton Friends Meeting & Greenwich Citizens Committee
